WIFE KILLER ASKS JURY SPEED CASE

AGED CARPENTER FACES MURDER CHARGES HERE

W. A. Hatfield, 67 year old carpenter, was facing murder charges here Thursday for the pistol slaying of his wife, Minnie Elizabeth Hatfield, around 8:15 Wednesday night.

Highway Patrolman, Jack Higginbotham placed Hatfield under arrest at his home on East 17th street shortly after the killing. Mr. Higginbotham who lives near by heard the shooting and left his home to go to the Hatfield residence. As he approached the scene of the killing Mr. Hatfield was on his way to surrender. Patrolman Higginbotham was the first officer at the scene of the shooting and made an investigation and it was understood was present early Thursday when County Attorney, Ed Gunn, questioned Hatfield in his office at the Court house.

Shortly after the shooting Sheriff Carl Black went to the Hatfield residence.

The body of Mrs. Hatfield was found on the floor of the kitchen. She had been shot four times with a 45 calibre Colt revolver, and died instantly. According to officers Mrs. Hatfield was shot in the back and then another shot was fired into her breast. Two other shots took effect in the shoulder and arm.

Rose Mary Hatfield, daughter of the home who celebrated her 16th birthday Wednesday, was thought to have been in the home at the time of the shooting.

Following the shooting Hatfield was placed in jail but declined to make a statement to County Attorney, Ed Gunn. Early Thursday morning he was again questioned in the office of the County Attorney who indicated he might be able to give additional information later in the day.

The body of Mrs. Hatfield was removed to the Marek-Burns Funeral Home where it was being held pending funeral arrangements.

According to officers it was believed family quarrels led to the climax in a long series of unhappy domestic situations.

County Attorney Ed Gunn held an inquiry Thursday morning and Hatfield was taken back to jail. If Hatfield desires he may ask for an examining trial and he may waive such a hearing and petition for bond. Meanwhile plans were going forward for the funeral of Mrs. Hatfield whose body lies in an undertaking home.

Mr. and Mrs. Hatfield formerly lived in the Sharp community where he was blacksmith. He went to war in 1917 and was a casual of the conflict (turn to page ten)

JUSTICE HENSLEY AT MILANO GRANTS BAIL

Giles Jordon, 45 year old Gause man, is out on bail following a hearing before Justice of Peace W. M. Hensley of Milano.

The hearing was held in the court house in Cameron.

Jordon asked to be released on bond and appeared in court with his attorneys Emory B. Camp and an attorney from Live Oak County, County Judge Willey.

Jordon, following the killing, had been placed in jail and had made no move to obtain his freedom. It was understood here that the circumstances surrounding the killing made the question of bail debatable.

Ferrias Ferguson, 39 year old negro, employed by the Missouri-Pacific railroad in Gause, was shot to death on the main street there at 7:15 a. m. Monday, July 18.

According to information from officers the negro had left the J. A. Ely store with some ice and groceries and Jordon who was walking along the street opened fire with a 12 guage shotgun. The negro was knocked down by the first charge and was blasted again as he rose and started to run. He died within a few minutes.

So far as known nothing was said before the shooting and it is not known what caused the killing.

CROP ESTIMATE HERE IS GOOD

SCHOOL PLIGHT HEIGHTENS

AUGUST 1 IS LAST DAY FOR STUDENT TRANSFER

Monday, August 1 will be the last day students may transfer from one district to another and school authorities were taking steps to bring this important fact to everyone.

Superintendent W. T. Hanes of the Cameron Schools, said Tuesday that the Board is keenly alive to the expansion of the system and early transfer of students would give the Board a better picture of what will be expected of the schools this fall.

The Gilmer-Aikin school laws enacted by the last legislature provide for consolidation of districts and this development forecasts large increase in the students of the Cameron district as well as other districts.

Under the transfer privilege students attending Cameron schools in the past will not now be required to transfer if their district has been consolidated with the Cameron district. In districts where there has been no consolidation transfers must be made as usual.

Students may transfer to Cameron even though the grade they rate is taught in their home districts. Under the old law a student could not transfer if his grade was taught in the schools of his district. That has been changed.

In districts that do not join the Cameron district and where consolidation is not permitted, students still may attend Cameron Schools, but they must get transfer at the office of the County Superintendent.

Since the law requires transfers to be made by August 1 school authorities are publishing that fact in order that parents everywhere may be fully informed.

FUNERAL AT DAVILLA FOR PISTOL VICTIM

Mrs. Minnie Elizabeth Hatfield, 59 year old mother of 10 children, who was slain by her 67 year old husband here Wednesday evening, will be buried late Saturday in the cemetery at Davilla.

Her husband, charged with murder, was in jail, awaiting the action of the Grand Jury summoned to convene here on Wednesday, July 27.

Mrs. Hatfield was shot to death around 8:15 p. m. Wednesday, July 20 in the little home on East 17th Street in Cameron as she was preparing the evening meal for her husband. Hatfield, a war veteran who draws compensation for injuries sustained in service in world war one, came home late Wednesday, unexpectedly. He had quarreled with Mrs. Hatfield and had told her he was leaving. He left Cameron on July 4 and remained away 16 days.

The body of Mrs. Hatfield with 4 bullet wounds was picked up from the floor of the kitchen shortly after her husband had fired upon her with a 45 calibre Colt revolver. The first shot entered her back, the other the chest and one in the arm and still another in the shoulder. She died instantly.

Funeral services will be held from the Methodist Church in Davilla at 4 p. m. Saturday with interment in the Davilla Cemetery, the Phillips and Luckey Funeral Home in Rockdale, directing arrangements.

The body was taken to Rockdale late Thursday from the Marek-Burns Funeral Home in Cameron.

The tragic ending of her life here Wednesday brought to a close troublesome domestic years in which she was married to two men, finally returning to the home of her first husband, W. A. Hatfield now faced with charges for her death. They began life together in the Sharp and Davilla communities when they (turn to page ten)

CHILDREN FACE LOSS SCHOOL ADVANTAGES

Sweeping changes in the methods of operation and tax requirements under the mystifying Gilmer-Aikin minimum school law, has created new problems and many school children face the loss of school advantages.

Acute need for adequate explanation of the provisions of the tax requirements in the bill was being stressed by trustees in some districts. There seemed to be a general lack of full understanding of the impact of this legislation.

J. B. Allen, trustee in the Briary District, has just received a letter from County Superintendent Hicks, outlining the plain requirements of the bill as it relates to the tax required.

Every district is required under the law to have at least a 61c tax. Mr. Allen said his district was pre-

8.4 MILES DESIGNATED BY HIGHWAY MEMBERS

Estimated cost of 8.4 miles of farm to market roads in Commissioners Precincts 1 and 2 in the Ben Arnold and Clarkson areas, will be \$87,000.00 according to A. F. Mitchell, member of the State Highway Commission.

The Highway Commission has officially announced the designation through the office of D. C. Greer, state highway engineer.

Mr. Mitchell who was in Cameron Tuesday for an address to the Lions Club, said a new designation would be made in the county shortly.

In a letter to this newspaper, received Monday, Mr. Mitchell quotes the minutes from the records of the Commission showing that the cost will run around \$87,000.00.

The construction of this farm to market road is conditioned on the funds being available and the county getting the right of way.

The roads are to be built in one of the best farming sections of the county. Hopes were mounting here that soon a designation can be made that soon a designation can be made with Buckholts and the Yarrington Farm to Market Road.

Under the new program the Highway Commission not only build these roads but maintain them.

Communism Threatens World Says Mitchell

A. F. Mitchell of Corsicana, member of the Texas Highway Commission, in a prepared address before the Cameron Lions Club on July 19 unfolded the story of Communism from Marx to Stalin and revealed the present day Soviet conception of government as a world conspiracy.

The address in full is as follows: "I can think of no more profitable way to spend this time together today than by being realistic. We are intelligent, God-fearing people, and we must be realistic in facing the problem that confronts us today.

It is our duty—our duty as free men. Congressman Karl Mundt labels this problem "international conspiracy." It is a conspiracy that believes in a way of life which controls the entire economic, social, political, and spiritual fabric of the country. The real danger underlying this problem is not the armed strength of these conspirators—these Communists—yes, that's their name, Communists; but it is the subtle, intangible penetration of ideas. I say

Hoyte School and Grounds to Be Sold

Cameron School Board will sell the Hoyte school building and grounds to the highest bidder at its meeting on Wednesday, August 10.

Dr. Clifford Swift, President of the Board, has been authorized to ask for bids on the property. Separate bids on the building and grounds will be taken, if purchaser wishes to bid.

Under the Gilmer-Aikin laws dormant districts that are consolidated with active districts must yield up their assets. The active districts, must on the otherhand, pay the debts of the dormant district. The school board here feels it must sell the property and apply the money to pay the debt of the Hoyte district.

Suspended On Driving For Sharing License

Tommie Rosemond of Route 4, Cameron lost his right to drive an automobile for six months because he permitted another to use his license.

Jack Gaines, Highway Patrolman reported that he had suspended Rosemond's license and called attention to the fact that it is a violation of the law for one person to permit another the use of license to drive.

Mr. Gaines cautioned car owners about this practice and believes many do not know of the existence of the law.

Funeral Services Here Thursday For Eugene Frank Salac

Funeral services for Eugene Frank Salac, 10 year old son of Mr. and Mrs. Frank J. Salac of Marak, will be held at 9 a. m. Thursday, July 28 at St. Monica's Catholic Church in Cameron by Father George J. Duda, Pastor, and interment will be made in St. Monica's Cemetery.

Eugene Frank lost his life Sunday while swimming near his father's farm. Funeral services had been pending since Sunday. The body was taken to the Marek-Burns Funeral Home here and will remain there until Thursday.

Since Sunday parents had been unable to contact their daughter, Rosa Lee Salac who was on vacation. She was finally located Tuesday and will (turn to page ten)

WEATHER IS FACTOR IN PROSPECTS HERE

Milam county's 1949 cotton crop was uppermost in the minds of business men here as a speculative development for fall business and farmers were taking a moderately optimistic view.

The weather continued to be a major factor. If rain does not come within a few days, vast areas of the crop in the county will be cut short because it will prematurely be harvested.

In some sections where June rains fell cotton farmers are not anxious for rain. Their cotton is good.

A survey made Wednesday by this newspaper indicated that on the whole there will be more cotton harvested than in 1948. This estimate is based largely on the fact that the crop is well advanced due to the lessening of insect peril this year and the further fact that there has been around 15 per cent increase in acreage, possibly more.

W. O. Triggs of the Triggs Cotton Company, said Wednesday that the weather is the most potent factor in the cotton crop picture in the county. "A few weeks ago," said Mr. Triggs, "it appeared we would harvest 30,000 bales, perhaps the best crop in this county in many years. But, the dry weather has taken a heavy toll. We must have at least a 2 inch rain and very soon to avoid premature harvest."

At the offices of the AAA no figures were available on acreage but it was said that the increase here over 1948 would be around or above the national average.

Milam county has the largest cotton crop in the state (turn to page ten)

RAILROAD MAY OPERATE MAIL ROUTE BY TRUCK

Prospects were brighter Friday to save the express and parcel post services that will be abandoned on August 15 by the Texas & New Orleans Railroad when it discontinues the passenger train service from Waco to Yoakum.

Postmaster J. R. Hays who first suggested the plan to Congressman Poage, is in receipt of a letter from Alec Potchernick, Superintendent of Mails for the railroad, and stationed in San Antonio. He will make a canvass of 9 post offices on the route of the rails and has set aside two days, July 27 and 28.

Mr. Hays said he believed the prospects are good to get this truck service out of Waco. The railroad company is doing the same in other places where passenger trains have been discontinued.

The passenger train on the Texas & New Orleans, the old SAP railroad, will be discontinued on August 15.

The railroad company gets a considerable sum of money from the government to carry the mails from Waco to Yoakum, reputed to be \$30,000. Since private parties would like to have the contract, the railroad company is not likely to yield it up.

To supply mail, parcel post and express service from Waco to Yoakum through Cameron, motor equipment would have to be as adequate as a baggage car and therefore large units would be operated, twice daily.

When the T & N O train is pulled off on August 15 all baggage or express shipments will be transferred to the Santa Fe. Only right trains over the Santa Fe stop in Cameron and since the Express Company will not meet night trains a problem is posed, however, the Express company may rearrange its working schedule.

Cameron and all towns on the Yoakum division of the T & N O could be reduced to inland status if the highway express is not put on. There seemed little doubt it would be done.

Superintendent Potchernick will make recommendations to the railway company after he has visited 9 towns on the route.

TWO MURDER CASES TO COME UNDER REVIEW

Grand Jury in District Court convened here Wednesday morning and got down to business shortly before noon.

With the body was County Attorney Ed Gunn.

Two murder cases were due to be under consideration by the Jury. It was not known whether other cases were important enough to consume the time of the Jury. It was said that cattle stealing may get an airing. Deliberations of the Jury are ultra-secret and results of their work are known by the bills of indictment returned.

Giles Jordon, 45 year old white man of Gause, has been charged with murder in connection with the fatal shooting of a negro, Ferrias Ferguson, also of Gause. Following his arrest Jordon was held without bail due to the circumstances under which the negro was killed. Friends at Gause moved for his release and a hearing was had before Justice W. M. Hensley of Milano. The Justice of peace admitted Jordon to bail in the sum of \$10,000.

Not all facts in the case have been publicized.

Ferrias was shot to death on the main street at Gause as he walked along with some ice and groceries. Jordon, carrying a double barreled shot gun, shot the negro as he emerged from the J. A. Ely store. The negro was employed by the Missouri-Pacific Section gang service and had been sent for ice to put in the water keg for the day's work. According to officers here, Jordon, opened fire on Ferrias without a word having been spoken. The first shot knocked the negro down. As he got to his feet and attempted to escape, Jordon fired again. The negro died within a few minutes.

W. A. Hatfield, 67 year old Cameron carpenter, is still in jail facing murder charges for the pistol slaying of his wife, Minnie Elizabeth, 60, at their east 17th street home in Cameron around 8 p. m. Wednesday, July 21.

Hatfield has repeatedly said that he wants the Grand Jury to hurry his case along, that he is ready to pay the penalty for the crime he committed.

Hatfield left his home here on July 4 after he had quarreled with his wife whom he had married for the second time in January. He remained away for 16 days. Returning early in the evening he requested Mrs. Hatfield prepare his supper. As she stood in the kitchen a short time later she was shot four times with a 45 calibre revolver. Shortly after he returned home, he is said to have engaged in a quarrel with Mrs. Hatfield and the shooting followed.

County Attorney Gunn said early Wednesday that the Grand Jury had been named at the May term and is to continue to serve until the September term. Up to this time there had not been enough felony offenses to justify the jury to convene.

LITTLE PEOPLE BUY \$63,531 IN SAVINGS

Milam County exceeded its quota by 27 per cent in the Opportunity Drive for the sale of Series E Savings Bonds.

Total sales were \$63,531.25, as compared to the county quota of \$50,000, according to Henry Siebman, county Savings Bonds chairman. He received the final report of the drive today in a letter from Nathan Adams of Dallas, chairman of the Treasury Department's advisory committee for Texas.

Harry Owens of Dallas, state director of the Savings Bonds Division of the Treasury Department, said that the Opportunity Drive was an outstanding success throughout the state also. Sales for Texas were \$46,835,896.75, or 126 per cent of the state quota of \$36,950,000. The drive was held throughout the nation from May 16 through June 30, with bond purchases through July 18 being counted in the final totals.

Mr. Owens said that Texas sales (turn to page ten)

Man Is Sought For Entering Clarkson Home Wednes. Night

Officers here are searching for a prowler who broke into the Joe Lackey home at Clarkson Wednesday night.

According to Sheriff Carl Black here, Mrs. Lackey said she was awakened around 10:30 p. m. when she heard a noise in the room. Peering through the darkness she saw a man standing at the head of her bed. The intruder placed his hand across her mouth preventing her from screaming. In the meantime other members of the household were aroused and began making their way to her room.

The man ran out of the room and disappeared through a door. Mrs. Lackey said she believed the man to be a negro but could not be sure.

Sheriff Black took a negro into custody at Lott and brought him to jail in Cameron. He was subsequently found to be innocent and released.

Mr. and Mrs. F. A. Marek spent one day last week in Temple, where Mr. Marek attended a meeting of the R. V. O. S. while Mrs. Marek visited one of her sisters there.

LIGHT METERS SAY WE HAVE 10,000

How many people live in the city of Cameron?

Now that census taking time comes nearer some folks are looking up through the tall grass and weeds and wondering how they are going to find all of them to count.

One of the current gauges for population is light meters. This newspaper called the Texas Power & Light Company early Monday and found that we have 2000 light meters. There are 1755 in the immediate city limits and over 200 in the city that lies just outside the 100 year old lines.

City boosters in other places who let their enthusiasm get away, say you can count 5 people to every light meter. If that is true Cameron has 10,000 population.

This newspaper suggested that a less figure would be more safe. We were told that there are too many people who do not have lights and that will offset the difference between 5 to each light meter and 4 which is the better figure. Well, taking 4 to the meter would give us 8000 population.

The 1940 official census gave Cameron 5043 people. Of course there were a considerable number who escaped into the weeds when they saw the census takers coming but on the whole this figure was somewhere near correct.

Taking a correct census is next to impossible. Usually the takers get appointed and paid through political channels. That don't mean they don't know what they are doing but often are just interested in the pay.

What we need to do here is organize the census program. We need a lot of volunteer workers who don't get pay, just folks interested in getting everybody counted. A thorough house to house canvas and privy to privy count with a posse to round up the stragglers would get the job done.

Cameron has grown and is growing. It is too big for the little undershirt of 1940. We can't button our breeches and we have no shoes. So that's about the picture. We need a new measure on the dimensions of the city. To get it accurate, a lot of work must be done. Nothing like anticipating the job.

Miss Rosa De La Rosa, daughter of Mr. and Mrs. Louis De La Rosa has returned to her home from the hospital where she underwent an operation on July 17.

Mr. and Mrs. J. O. Bowden of Bridgeport are visiting in the home of Mr. and Mrs. J. R. Poole this week.

Miss Sammie Dell Markham is spending a few days in Beeville visiting her aunt, Mrs. L. W. Grayson.

Bobbie Rutherford is spending this week in Rockdale visiting a friend Bill Joiner.

Dr. and Mrs. Grady Baskin and baby of Galveston spent the week end here with his parents, Mr. and Mrs. Roy Baskin and grandmother, Mrs. John L. Denson.

Pleasanton Receives 8 and Half Inches Of Rain Monday

Eight and a half inches of rain fell at Pleasanton in Atascosa county south of San Antonio Monday morning, it was reported at noon.

Families living in some sections of the city were being evacuated and water was two and a half feet deep in some of the business houses.

Torrential rains have fallen in the Greenville and Longview areas. Rain was falling all over south Texas and was extending as far north as Waco but the fall was light.

Printing is a home industry.

Free Hospitalization For Children At Elks Warm Springs Hospital Near Gonzales

Do you know of a child not over 14 years old who has suffered an attack of infantile paralysis and needs treatment in a Crippled Childrens Hospital?

If you do free treatment is now available in the famous Elks hospital located at Ottine, Texas, in Gonzales county.

Ace Bledsoe of Waco, representing the Elks Lodge in Texas, was in Cameron Thursday and requested this newspaper to make this hospital ser-

vice known. The Elks built, operate and maintain a crippled childrens hospital near Gonzales where the warm springs are becoming famous for their use in treating polio cases. The Elks do not accept donations and the hospital facilities are free to every child.

The Elks will furnish free transportation to any child who has suffered a Polio attack or who needs treatment.

Elks Lodge No. 166 in Waco is trying to locate a child that needs hospitalization. If you know of such child get in touch with Mr. Bledsoe at once by calling Telephone 1756, Waco.

Phone your news items to 282.

Wallace Collins, son of Mr. and Mrs. Dan Collins of Cameron is ill and a patient in Newton Memorial Hospital.

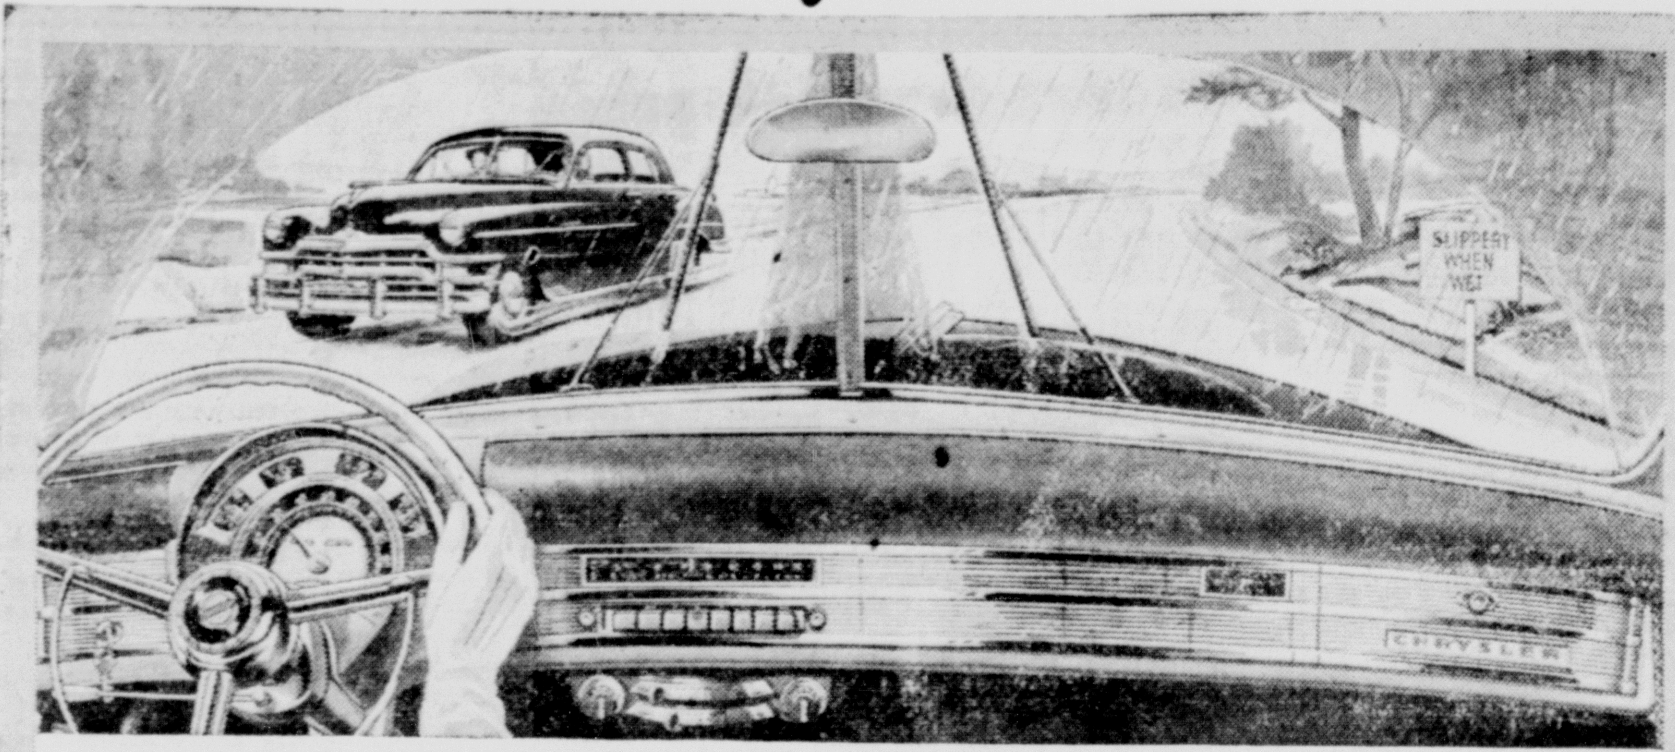

Miss Florence Jane Storey is spending this week in Houston and Pasadena visiting relatives and friends.

Mr. and Mrs. Anton Seveik have moved to Buckholts after making their home in Bryan for some time.

Richard Galler and family of Houston spent their vacation visiting relatives in Milam county.

Mrs. L. A. Campbell of Corpus Christi is spending several days visiting Mr. and Mrs. N. H. Rowland.

Now... Chrysler Offers

1—Safer Driving! Through the years, the greatest advances in safety come to you first from Chrysler. Now there's a new advance in steering... Chrysler's "center control" steering! Your days of fighting a wheel are over. There's greater road stability, easier handling, less road shock. Even the leather covered foam rubber Safety-Cushion dash, and the new "Bull-Eye" headlight lenses are designed to give you extra protection.

Prestomatic Fluid Drive* Transmission... drive without shifting

2—Safer Design! Now the engineers who pioneered the first all-steel car bodies have developed a still safer body and frame design—23% more rigid. You have full control of your automatic gear shifting car. With Prestomatic Fluid Drive Transmission, the Safety Clutch enables you to take over in emergencies, select the gear you need.

3—Safer Vision! When Chrysler engineers introduced the first 4-wheel hydraulic brakes 25 years ago—they brought to the automobile industry a new idea. It is the idea of car design that begins with safety, then builds beauty, comfort, performance! You can't possibly appreciate the difference until you drive this car. Find out how much more confident you feel in this Chrysler with its mighty High Compression Spitfire engine.

On your vacation trip... stop for an afternoon at Baytown

If your vacation leads you down our way, you'll find a visit to Humble's Baytown refinery a highlight of your trip. It is one of the great oil refineries in the world, processing about 200,000 barrels of crude oil daily into such diverse products as gasoline and asphalt, motor oils and insecticides.

Tours of the refinery start at 2:00 p.m. every day. First, you find out what you're going to see; then you're taken on a comfortable bus tour of the plant with a guide to tell you what goes on. The children are welcome.

A visit to Baytown will give you a glimpse of the results of scientific research by the oil industry; for unless you see a modern refinery, you'd never suspect that it can break up crude oil molecules and reconstruct them into other molecules of wider service to you in your daily life... A visit to Baytown will show you how the petroleum industry supplies many of the necessities of modern living, and how energetically the industry works to supply them. For throughout the United States, oil refineries like Baytown work night and day to supply you with petroleum products of continuously improved quality and continuously increased diversity.

If you can't visit Baytown in person, ask for a copy of this book; address your request to

Plants Manager,
Baytown Refinery
Humble Oil & Refining Co.
Baytown, Texas

HUMBLE OIL REFINING CO.

HUMBLE

More than six thousand men and women work in shifts 24 hours a day at Baytown to help supply your needs for petroleum products.

Baytown refinery makes: MOTOR GASOLINE • AVIATION GASOLINE • MOTOR OIL • HEATING OILS • DIESEL FUELS LUBRICANTS • ASPHALT • KEROSENE • SOLVENTS • RUBBER • AND 43 OTHER PETROLEUM PRODUCTS

Plain Facts

Fundamentally merchandising is a problem of salesmanship.

There was a time... but no more... when the few folks who lived here... required little. Life has changed all that. Now it is as much a question of choice as salesmanship.

So, what do smart merchants do. They employ a salesman... the greatest salesman in the world. His name is Advertising.

How to employ that salesman: Set him up on your payroll at what you would pay a clerk. Spend that money with your newspapers. You'll be surprised what will happen to your business.

The Herald

FUNERAL HERE SUNDAY FOR PIONEER RESIDENT

Samuel E. Pitts, 81, pioneer and for 61 years a resident of Cameron, died at 6:15 p. m. Friday, July 22 at his home in this city.

Mr. Pitts was a native of Tennessee, born at Pittsburgh on March 17, 1868. He came to Cameron in 1888 when the city was only 42 years old. Almost from the beginning Mr. Pitts began his life as a merchant and the store he operated for so long before his death still stands at the corner of South Nolan and West 8th Street.

Mr. Pitts had not been active for a number of years, living quietly at his home near his store.

Funeral services will be held from the chapel of the Marek-Burns Funeral Home at 2:30 p. m. Sunday, July 25 by Rev. Percy A. Corkern, Pastor First Baptist Church. Interment will be made in the old city cemetery

on the river road east of the city. Surviving are two sons and three daughters as follows: Wade Pitts of Kilgore, Texas, Roscoe Pitts, Houston, Mrs. Clara Sibley, Carlsbad, New Mexico, Mrs. Maudie Roberts, Alice, Texas, Mrs. Bessie Rice, Cameron.

One brother, John Pitts of Oakwood, Texas, survives along with 6 grand children and 2 great grand children.

The body will be at the Marek-Burns Funeral Home until the funeral hour on Sunday.

1st Lieut. Charles Green left last week to take a plane to Japan where he will be stationed for some time. He has been visiting his mother, Mrs. Mary Young Green and sister, Dallis Green for the past two weeks. He was to be at his designation by the 16th of July.

Carl Allen was seen shaking hands with friends in Cameron Monday of this week. Mr. Allen lives at Marlin and formerly of Cameron.

JAMES F. WILLEFORD DIED HERE SUNDAY

James Franklin Willeford, 63, died in St. Edwards Hospital in Cameron at 7:30 a. m. Sunday, July 24.

He had been in declining health for some time and had been a patient in the hospital for 11 days prior to his death.

Mr. Willeford had been a resident of Cameron for 21 years and was well known as a carpenter and in the building trades. He was a member of the North Central Church of Christ and funeral services were held by Rev. Elmer Irby of Rockdale, at North Central Church in Cameron at 3:00 p. m. Monday, July 25 with interment in Oak Hill Cemetery and the Green Funeral Home directing arrangements. The body was at the family residence at 604 College Avenue until the funeral hour Monday afternoon.

Mr. Willeford is survived by the following: His widow who lives in Cameron, Mrs. James F. Willeford; two daughter, Mrs. Lottie Mae Bowen, Waco, California and Mrs. Beulah Fay Burrus of Cameron; two sons, John Thomas Willeford of San Jose, California and Marvin Ray Willeford of Waco; four stepsons, C. C. Donaldson of Waco, J. T. Donaldson of Slaton, Grover Donaldson of Tulare, California and Greer Donaldson of Waco; two step-daughters Mrs. Emma Mae Laywell of Waco and Mrs. Tressie Fikes of Cameron; three brothers Edgar Willeford of Kentucky, Allen Willeford of Oklahoma and Crawford Willeford of Bethany, Oklahoma; two sisters Mrs. Susie Balm of Oklahoma City and Mrs. Beulah Connor of Illinois.

Mr. Willeford was born in Arkansas on October 28, 1882, the son of the late pioneers, Mr. and Mrs. J. R. Willeford. He came to Texas in 1903 and settled at Cross Plains and to them were born six children, four of whom are living and were with their father when he died.

Mrs. Willeford the first, died May 16, 1924. The deceased was married to Mrs. Angie Donaldson on October 17, 1924 in Coleman county. They moved to Cameron in 1928.

Mr. and Mrs. Robert Doss and baby of Lake Jackson visited Mr. and Mrs. Jim Short several days the past week.

And, Shore Nuff It Happened!

A man lived by the side of the road and sold hot dogs.

He was hard of hearing so he had no radio.

He had trouble with his eyes so he read no newspapers.

But he sold good hot dogs.

He put up signs on the highway telling how good they were.

He stood by the side of the road and cried: "Buy a hot dog, Mister."

And people bought.

He increased his meat and bun orders.

He bought a bigger stove to take care of his trade.

He got his son home from college to help him.

But then something happened.

His son said, "Father, haven't you been listening to the radio?"

There's a depression on.

The European situation is terrible.

The Domestic situation is worse.

Whereupon his father thought,

"Well, my son's been to college, he reads the papers and listens to the radio, and he ought to know."

So the father cut down on the meat and bun orders.

He took down his advertising signs.

And no longer bothered to stand on the highway to sell hot dogs.

And his hot dog sales fell almost overnight.

"You're right son," the father said to the boy,

"We certainly are in the middle of a great depression."

Mr. and Mrs. Walter Sharpe are vacationing in California.

OLIVIA LEHMAN GETS FARM BUREAU HONORS

Miss Olivia Lehman of Buckholts, was crowned Milam County Farm Bureau Queen here Thursday night.

Miss Lehman was voted the honors from ten contestants and was crowned in a special ceremony presided over by S. W. McClaren, President of the Milam Bureau.

Beatrice Mills of Milano was second high winner in the scoring by judges.

Miss Lehman is the daughter of Mr. and Mrs. R. P. Lehman of Buckholts.

It was family night and one of the most enjoyable entertainments in the history of the Bureau was the result.

Layne Beatty, radio broadcaster, was master of ceremonies. Then the Bluebonnet Boys from Temple gave the music during the evening.

The party was highlighted by the Coronation ceremony and a supper served to the members and guests and the big party following.

Contestants in the Queen contest were: Miss Lehman, Dorothy Tomek, Corene Massey, Bobby Ann Burnett, Betty Allen, Evelyn Nell Jamick, Loretta Becker, Dotty Hanal, Marietta Richter, Imogene Young and Beatrice Mills.

Mr. and Mrs. Eber Flinn of Cameron and Mr. and Mrs. Cecil Criswell of Buckholts left Thursday for a vacation rip through Colorado and other points of interest. They plan to be gone for a week or two.

BUY-NOW BIRTHDAY PARTY

OUR CELEBRATION OF HUDSON'S 40th ANNIVERSARY YEAR

The modern design for '49!

We're out to win still more new friends for Hudson, and the sky's the limit on trade-ins — now while we, as Hudson dealers, celebrate Hudson's 40th anniversary . . . and the resounding success of an amazing new kind of motor car.

For the New Hudson is riding a rising tide of popularity. Official figures prove it! Hudson sales so far this year: up 33.7% over the same period last year. And thousands are switching to Hudson: of the first 200,000 New Hudsons bought, 100,202 — over half — went to men and women who traded in other-make cars, from the lowest to the highest priced, to own a New Hudson!

No wonder we're jubilant! No wonder we're going all out to make it easier than ever for you to own a beautiful New Hudson — by

offering the longest trades . . . the best deals in our history!

Come in and help us celebrate. Enjoy a thrilling Revelation Ride in the New Hudson and see for yourself why this amazing new kind of automobile — with exclusive "step-down" design — is establishing an entirely new measure of motor-car value!

America's 4-MOST Car — Prove it yourself with a Revelation Ride! 1. MOST Beautiful . . . 2. MOST Roomy . . . 3. MOST Road-worthy . . . 4. MOST All-round Performance!

CHILDREN FACE—

(Continued from page one)

pared to call an election to meet the minimum standards of the new laws.

The letter from Mr. Hicks says in effect, and based on the plain provisions of the law, that unless a district votes a tax it cannot transfer its students in good order, for they will not be furnished bus service. In addition such students cannot be counted on the rolls of the schools to which they transfer. That being the case the question arises: What about apportionment. Can schools receive such pupils get state apportionment money if the students cannot be counted on the attendance rolls?

There has been too little education on the provisions of the new law. Too few parents understand it. For instance, in the Clarkson district, it was understood, no tax election will be called, or no plans have been made to call one. That district does not have the required tax. Its students transfer and have bus service to Cameron schools. It appears that un-

less the parents of children and the people of the Clarkson district meet the tax requirements children may be shut off from school.

Reduced to a simple terms unless your school tax rate is as much as \$1c you can send your child to school anywhere.

Dormant districts that are merged with active districts must pay the rate that obtains now in the operating district.

To operate a bus where there is no required minimum tax, the patrons might have to foot the bill themselves. But even then their children cannot be counted and may not get apportionment funds. Or can they? It is high time every parent understood what he is required to do.

Mr. and Mrs. G. C. Connor of Three Rivers are here on a visit with relatives in their old home town. Mr. Connor is with the United Gas Company in that south Texas town and is enjoying his vacation trip in Cameron. They will be returning to their home on Wednesday.

Livestock News

The run of cattle last Friday at the Calvert Livestock Auction was light as it was around all the markets last week, as cattle prices worked a little lower for the week, and Livestock owners are holding their cattle off the markets where they can, hoping for higher prices and heavier weights.

Young stocker cows and calves were in good demand, the in-between kind of cattle was a little slow. Not many good calves or cattle offered, though there were buyers looking for all kinds of cattle.

Among the sellers at the Calvert Auction Sale last week were Mr. Ben Massengill, J. D. Turney of Cameron, Mr. Floyd Frits of Rogers, Mr. Billie Garry of Rosebud. If the Northern Markets don't break further, we look for a nice run of cattle for Friday, July 29th.

THE STATE OF TEXAS

TO: Robert Newton Stone, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Milam County at the Court House thereof, in Cameron, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of September A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 7th day of June A. D. 1949, in this cause, numbered 13,122 on the docket of said court and styled Mary A. Stone, Plaintiff, vs. Robert Newton Stone, Defendant.

A brief statement of the nature of this suit is as follows, to wit:

Suit for divorce by plaintiff against defendant on the Statutory grounds of harsh, cruel and outrageous treatment of plaintiff by defendant of such a nature as to render living together as husband and wife insupportable, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Cameron, Texas this 19th day of July A. D. 1949.

(SEAL)

Attest: GRADY ALLEN, Clerk,

Seven New Songs In Astair-Ginger Rogers Film Here Thursday

A Hit Parade of seven new songs and one old favorite heralds the reunion of Fred Astaire and Ginger Rogers in M-G-M's eagerly-awaited new musical, "The Barkleys of Broadway," which brings the famous stars together again for their tenth co-starring picture, and their first in Technicolor. It opens Thursday at the Cameron Theatre.

The new songs, written by Harry Warren and Ira Gershwin, offer the stars a wide variety of song and dance numbers. Together they sing and dance to "Swing Trot," a modern, swingy ballroom number created by Astaire; "Bouncin' the Blues," a fast tap routine; "My One and Only Highland Fling," danced in kilts; and the brilliant finale number, "Manhattan Downbeat," danced on a revolving stage. Another highlight is their dance done to the George and Ira Gershwin song, "They Can't Take That Away From Me," originally sung by Astaire and Miss Rogers in one of their early hits, "Shall We Dance."

The solo numbers include "You'd Be So Hard to Replace," sung by Astaire to Miss Rogers, and an original Astaire dance routine called "Shoes With Wings On." The two stars join Oscar Levant in singing the gay "Week-end in the Country," with Levant offering two piano numbers in the popular Khachaturian "Sabre Dance" and Tchaikowsky's "B Flat Minor Concerto," accompanied by a 100-piece symphony orchestra.

The laugh-filled story of two temperamental stage stars was directed by Charles Walters and produced by Arthur Freed, with the musical numbers staged and directed by Robert Alton. This is the same combination which gave the screen the highly successful "Easter Parade."

CARD OF THANKS

We are deeply grateful for all the kindness shown us during the illness and at the death of our loved one, James F. Willeford. To those who sent flowers to express their sympathy, those who sent words of condolence or in any way assisted us at this time of sorrow, we are truly grateful.

Rogers Child Loses Life In Waters of Little River Sunday

William Luska, two years old, lost his life in the waters of Little River near Rogers Sunday afternoon.

He was the son of Mr. and Mrs. W. J. Luska of Red Ranger. The family left their home Sunday morning for a picnic on the river and to celebrate Mrs. Luska's birthday.

The party went for a swim and in a few minutes the child was missing. The body was recovered within about 30 minutes but the baby could not be revived.

Funeral services were held at 1 p. m. Monday at the Seaton Church with Skinner Funeral Home in Rogers directing the arrangements.

O. L. Hairgrove Opens National Fidelity Life Insurance Co. Agency In Cameron

O. L. Hairgrove to-day announces the opening of an agency for the National Fidelity Life Insurance Company and specializing in hospitalization insurance.

Mr. Hairgrove selected National Fidelity Life because of the improved, extended and more inclusive features in hospitalization. For a long time there has been a general demand for a hospital policy that will cover losses, with less restrictions in its provisions. He says the policy he is offering has been approved generally by doctors.

Mr. Hairgrove is well known in Milam county, having lived in the Milano community for a long time. He recently moved to Cameron. He is very anxious to get agents and says he has an attractive proposition.

Mr. and Mrs. Joe H. Smith and son have returned from an enjoyable visit to Temple and Holland where they visited relatives. They were accompanied on the trip by another son, Robert Lee of Cleveland. In Lampasas they enjoyed a day on the river fishing and swimming. Mr. Smith is employed with the Texas Oil Co., and was on vacation.

Mrs. Lena Wise of Maysfield is a patient in Newton Memorial Hospital.

Southwestern Life Agents Set Records For New Business

Paid for business amounting to \$55,614.694, a new record in the history of the Company, was written by agents of Southwestern Life Insurance Company during the first six months of 1949, it was reported by S. E. Brogdon local representative of the Company.

"The agency force set a new record for production during a six-month period, and exceeded by 14.8 per cent the \$48,442,735 of paid-for business written during the first six months of 1948," Mr. Brogdon said.

A second record was established as the Company's insurance in force advanced from \$697,208,140 to \$732,319,408 during the same time.

"This increase of \$35,111,268 also is the largest in the history of the Company for any six-month period," Mr. Brogdon reported.

Southwestern Life's Board of Directors meeting in Dallas Tuesday, July 12, elected W. K. Gordon, Jr., of Fort Worth to the Board to fill the vacancy caused by the death of his father W. K. Gordon, Sr., on March 13, 1949.

Negro Women Pay Fines For Knife Fight Here Tuesday

Social activities at Blue Pete's place in the black belt on Monday night produced a floor show of considerable proportions.

Ann Mitchell and Ruby Johnson, negro women engaged in a friendly greeting and both paid fines in corporation court for simple assault.

According to officers the women quarreled and then began to fight. Ann Mitchell slashed Ruby Johnson with a knife and the wounded woman was taken to Newton Memorial Hospital for treatment and later released.

Maysfield Presbyterian Church

Rev. Billy Newton, son of Mr. and Mrs. H. G. Newton of Maysfield, will conduct the Sunday services at the Maysfield Presbyterian Church July 31. Rev. Newton has recently completed seminary work at Boston, Mass.

Mr. and Mrs. Raymond Juergens were Waco visitors Thursday of the past week.

John Hairston left Friday to visit in Ft. Worth, Brownwood and California.

Is Only Half of Your Home Insured Against Fire?

Years ago, you paid a certain price for your home. Today, it's probably worth twice that price. Does your fire insurance reflect that increase? Is your fire insurance adequate to replace that home with a comparable one at today's prices? Let us survey your protection—no cost to you.

HEAVY DOWNPOURS IN TEXAS AREAS TUESDAY

Prospects for rain were better Tuesday than at any time during the current rainfall over the state. The barometer was falling and Dallas had only 87 degrees Tuesday morning. Forecasts were that east Texas would get rain by late Tuesday. Already showers were falling over a wide area of the northeast section and in some parts of central sections.

Torrential rains of cloudburst proportions were reported in south Texas, notably in the Atascosa town of Pleasanton where a new flood was menacing the town. Already nine inches of rain had fallen there.

The rain pattern was showing up as far east as Palestine where around two inches was reported.

In the Cameron area the drouth was somewhat serious.

Cotton was beginning to show strain of hot winds and 100 degree temperatures and unless moisture comes picking will get under way next week. Much of the plant is late and if rain does not fall soon the plant will not mature.

On the whole the prospect was very good. Corn and feed crops are already counted as made and above average.

CARD OF THANKS

We wish to express our sincere appreciation to our many friends and neighbors who helped in any way during the illness and at the death of our loved one, Roy Torno.

Mrs. Amelia Torno and family.

COUNTY AGENT NOTES

J. D. Moore, County Agent

Two meetings were held last week with farmers in the Ben Arnold and Elm Ridge-Pettibone communities to discuss soil and grassland improvement for Milam County farms. The first group met at the Ralph Michalka farm east of Ben Arnold and the second group met at the Gordon Baskin-Dusek Bros. farms in the Elm Ridge-Pettibone communities. Farmers attending these meetings were: Ralph Michalka, Buck Angell, E. B. Yager, Gordon Baskin and the Roy Hensley G. I. class. Those representing the Milam County Agricultural Agencies were: Mr. Elder, Soil Conservation office in Rosebud; Paul Dillon of local P. M. A. office; Bill Arthur and Roy Hensley, G. I. Vocational Teachers and J. D. Moore, County Agent. Plans are being developed to incorporate the programs and the thinking of all the agricultural Agencies in Milam County for a better and more profitable Agriculture in Milam County.

Fred Elliott, Cotton Work Specialist and A. C. Gunter, Entomologist from A&M College assisted cotton farmers of Milam County with a meeting at the Court House last Thursday. Mr. Elliott discussed cotton varieties and other phases of cotton production. Mr. Gunter discussed cotton insects and described the life habits and control for the bollworm. He also pointed out the shortage of the new insecticides due to heavy insect infestation this year. Farmers from many sections of the County reported success in controlling their insects this year.

Walter B. Burkeen Now In Tokyo With Military Police

WITH THE EIGHTH ARMY IN YOKOHAMA, JAPAN, July 11—SFC. Walter B. Burkeen, 519th Military Police Battalion, son of Mr. and Mrs. Mose M. Burkeen, Route 1, Box 186, Cameron, Texas, has been found qualified in the military occupational specialty of military policeman. Acquired largely through his Army training and experience, this qualification will aid Sergeant Burkeen to obtain advancement under the new Career Plan which is to govern all promotions in enlisted and warrant grades.

Stationed in Yokohama, Japan's major port city and seat of the headquarters of the Eighth Army, Sergeant Burkeen is filling an essential job with the Army's Occupational Forces. To occupy his leisure hours, he has access to theaters, clubs, libraries, evening classes, a gymnasium, bowling alleys, volley ball and tennis courts, a swimming pool, a golf course, as well as the picturesque scenery of this ancient country.

Entering the Army in November 1948, he arrived in this theater in March of this year. He attended Branchville High School.

Mr. and Mrs. A. O. Jackson of College Station spent the week end in Cameron visiting Mrs. Oscar Patillo and other relatives.

Florence Jane Storey And Byron Farr Are Married In Houston

Miss Florence Jane Storey, daughter of Mr. and Mrs. Bill Storey of Cameron became the bride of Byron Farr in a beautiful ceremony at seven-thirty o'clock July 20, 1949, in the home of Rev. Charles McLain, 6205 Rodrigo Drive in Houston.

The bride wore a lovely light blue-grey suit complimented with brown accessories and a corsage of orchids. She carried out the tradition of something old, something new, and wore an heirloom locket given to her by her grandmother, Mrs. N. J. Smith of Cameron, something new was a pair of ear screws, a gift from the groom, something borrowed, something blue was a handkerchief from her sister-in-law, Mrs. William La-Seur of Houston and she wore a penny in her shoe.

The bride was attended by Miss Bobbie Schlemmer of Cameron and Mrs. Milton Fehrle of Houston. Both wore dresses of blue with white accessories.

Milton Fehrle of Houston and Harris Komar of Cameron attended the groom.

During the ceremony the couple was presented a Bible by the groom's parents, Mr. and Mrs. H. A. Farr of Houston.

The bride is a graduate of Cameron Yoe High class of 1949 and is popular among the younger set where she has been reared.

Mr. Farr is a graduate of High school in Houston and is a veteran of World War II, having served in the U. S. Navy during the height of the conflict.

After a short wedding trip the couple returned to his home in Valentine, Texas where Mr. Farr is employed with the Southern Pacific Railroad as a Telegraph Operator.

Mrs. J. J. Muir Is Honored on Birthday

Mrs. Fritz Senkel of Buckholts honored her mother, Mrs. J. J. Muir with a birthday party Thursday night.

Guests for the occasion were: Mr. and Mrs. Henry Hensel, Mr. and Mrs. Gus Trojan, Mr. and Mrs. Gussie Trojan and son of Rosebud, Mrs. R. W. Muir and children of Waco, Mr. and Mrs. T. J. Muir and family of Oenaville, Mr. and Mrs. John Muir and children of Troy, Mr. and Mrs. Albert Drozd of Cameron and Mrs. Gohment and children of Buckholts.

Clada Jones Is Host To Friends Thursday

Miss Clada Jones of Taylor entertained a group of friends last Thursday evening in the home of Mrs. J. L. Barmore.

Those present were Mrs. Buck Wheelless, Port Sulphur, Mrs. Hodge of Taylor, Mrs. Ida A. Drew and grandson, Kenneth Lee Weaver, of Dallas, Rev. and Mrs. Hall, Maggeline Aycock and Mrs. Emma A. Barron, Cameron.

An evening of entertainment was varying scenes by movie camera of homes, friends and vacationing times.

English Resident Gets Knitted Sweater; Thanks Woman Here

During the war when women all over the world knitted sweaters for men in the service, the Cameron Red Cross Chapter did their share. The following is a letter received by Mrs. Adolph Winfield a few days ago.

Dear Mrs. Winfield: I am writing this letter to thank you for a beautiful pullover which I received today from the U. S. A. Red Cross. I found the enclosed note (made by Mrs. Adolph Winfield, Cameron, Texas) pinned inside. That is how I knew you had made it, and I know you will be very pleased to learn that I shall cherish this gift and take good care of it always. You will also be pleased to know that you have helped a sick person, as I am out of work 10 months with Pulmonary tuberculosis and you can imagine what a gift like this means to me. I am married and have a little boy 13 months old. I am an Irishman, 30 years old and am thrilled to receive a gift from America.

I could not resist the temptation to write to you and let you know how much I appreciate your kindness. My wife wishes to thank you also and to say "God Bless You and Yours."

Yours sincerely,
Richard O'Leary,
Smethwick, Near Birmingham, England.

Mr. and Mrs. William Krupicka and daughter, Glenda of Fort Worth visited in the home of Mr. and Mrs. Vince Kupricka and family over the week end.

Mrs. Leonard Bush of Texas City is visiting in the homes of N. D. Fuller and W. O. Rinn and families this week.

BEN ARNOLD-CLARKSON AREAS ARE BENEFITED

Texas State Highway Department has designated two farm to market roads in the Ben Arnold and Clarkson areas, it was announced in a communication to this newspaper in a letter from the headquarters of D. C. Greer, state highway engineer in Austin.

Notification had also been received by Judge Dan Tyson and the Commissioners Court.

A. F. Mitchell, member of the Texas Highway Commission who spoke at the Lions Club here Tuesday said that a new designation was to be made on a farm to market road in the blackland belt in the section mentioned above. It was taken to indicate that Mr. Mitchell recognized the need and being familiar with the territory was befriending the people of this county and looking after their needs.

The following is an extract from the letter of John Davenport, Administrative Aide in the office of Mr. Greer:

"In Milam County the following described roads are hereby designated as Farm-to-Market Roads subject to the availability of funds under the terms of Senate Bill No. 287 and subject to the conditions that Milam County will furnish all required right-of-way free of cost to the state:

"From U. S. 77 at Ben Arnold southeast to road intersection, a distance of approximately 4.4 miles.

"From proposed F. M. road southeast of Ben Arnold north to Clarkson, a distance of approximately 4.0 miles.

"Upon acceptance of the provisions of this Order by the proper officials of Milam County the State Highway Engineer is directed to proceed with the preparation of plans for construction at an estimated cost of \$87,000.00 and when right-of-way and funds are available to proceed with construction and to assume the roads for maintenance upon completion of construction."

WEDDING INVITATION

Mr. and Mrs. George Childress extend an invitation to their friends to the marriage of their daughter, Charlotte, to Mr. James Marcus Wiggs of San Antonio on Monday evening, August 8, 1949, at eight o'clock in the garden of their home.

Phone your news items to 282.

THE CAMERON HERALD

JULY 28, 1949

EUGENE FRANK SALAC LOSES LIFE SATURDAY

Eugene Frank Salac lost his life around 2:30 p. m. Saturday, July 23 in a tank near his father's farm in the Marak community.

He was the son of Mr. and Mrs. Frank J. Salac of Marak and according to information here, had asked permission to go for a swim in the tank but was cautioned by his parents to wait until later on in the afternoon after the family had taken a rest.

It was said here that Eugene, who was 10 years old, left the farm home after his parents had fallen asleep and went alone to the tank.

The tank is located some distance from the Salac home. When his parents had awakened they discovered their son was missing and they set out to find him. They found his bicycle near the tank. An alarm was given and rescue workers found the body in the tank sometime later.

According to information here the boy had been dead from 30 minutes to one hour when his body was found. Efforts to revive him by artificial respiration methods, failed.

Funeral services were pending information from a sister, Miss Rosa Lee Salac, who is in San Antonio. The Texas highway patrol had been called in to assist in locating her. She did not know late Monday morning that her 10 year old brother was dead.

The body was at the Marek-Burns Funeral Home in Cameron. Funeral services will be held at St. Monica's Church in Cameron by Rev. George J. Duda, pastor, with interment in The Catholic cemetery in Cameron.

Surviving are his parents Mr. and Mrs. Frank J. Salac and four sisters

as follows: Miss Rosa Lee Salac, of San Antonio; Mrs. Caroline Farek of Marlin; Mrs. Helen F. Morris of Waco and Miss Mildred Salac of Cameron.

Prizes Announced For Merchandising Displays Here

A series of prizes were announced by W. G. Bohannon in connection with the Merchandise Display Institute now under way.

Mr. Bohannon said that the school each evening in the Milam Coffee Shop is well attended.

The school is authorized by the University of Texas under the Agenda of distributive education and is made available to Cameron merchants who wish their employees to know more about better merchandise methods.

The prizes will be awarded based upon smartness in Cameron show windows. Merchants who leave their lights on in the show windows at night will be judged. The prizes are ribbons.

Those enrolled in the classes will be given certificates of proficiency as display artists for local stores. The school will run for a period of two weeks.

Mr. and Mrs. Jim Perkins visited in the Ed McCall home Saturday.

Mr. and Mrs. L. R. Russell and baby are visiting home folks this week.

Mrs. Robert Sabin is a surgery patient in Newton Memorial Hospital. She will be remembered in Cameron as the former, Portia Kruse and lives in New York. Her many friends in Cameron wish her a speedy recovery.

U S SENATE JOINS IN PACT AGAINST RUSSIA

WASHINGTON, July 21—The senate, by the overwhelming vote of 82 to 13, late today ratified the North Atlantic treaty pledging 12 nations to give mutual aid against aggression.

All reservations were defeated. Designed as a bulwark against any attack by Soviet Russia, the pact puts the United States into a military alliance with European nations for the first time in history.

The 82 yes votes were 18 more than the two-thirds majority necessary to ratify.

The senate refused to modify the United States stand in any way. Three bitterly contested reservations—declaring that the treaty does not commit us to send arms or go to war—were swamped.

The votes came at the end of 13 days of furious debate in which opponents of the treaty cried it "is likely to lead to war."

But Secretary of State Dean Acheson issued a statement of gratification on the heels of the smashing

victory: "The decisive nature of the determination of the American senate vote makes clear to the world people to do their full part in maintaining peace and freedom."

The administration will follow up quickly with a \$1,450,000,000 arms program, of which \$1,130,000,000 would be spent to back up the treaty with arms for the alliance partners in Europe. It may go to congress tomorrow. Unlike the treaty, majority approval of both houses is required.

Most of the opponents of the treaty centered their fire on the arms program.

Throughout the closing day, three Republican senators fought bitterly to get the senate to declare that the treaty does not commit this nation to share the atomic bomb or other arms with Europe.

Backers of the treaty said the reservation was not necessary and would weaken the alliance.

The reservation was beaten 74 to 21. It was offered by Senators Wherry of Nebraska, Taft of Ohio and Watkins of Utah.

The treaty becomes effective when the seven original sponsoring nations approve it. All but two of these, France and The Netherlands, have ratified. France may vote this week.

Others which have ratified are Canada, Britain, Belgium, Luxembourg (of the original seven) and Norway, Denmark and Iceland.

The pact will go to President Truman tomorrow. He is expected to sign it next week.

Chas. M. Hicks Goes To School Lunch Room Conference New Mex.

Charles Hicks, County Superintendent is attending the Regional lunch room meeting at Mountain View ranch in Cowles, New Mexico this week.

States represented at the meeting are Texas, New Mexico, Colorado, Kansas, Oklahoma, Louisiana and Arkansas. The purpose of the meeting deals with the direct distribution of foods to school lunch rooms, welfare units and eleemosynary institutions.

Mr. Hicks is vice president of the Texas Superintendents Association and is representing this group.

He was accompanied on the trip by Mrs. Hicks and they plan to see Grand Canyon before returning to their home in Cameron.

Mrs. J. L. Walker Is Home From Photo School In Dallas

Mrs. J. L. Walker, wife of Dr. J. L. Walker of Cameron, is home from the vacation period. She is attending the Southwest Photo Art Institute in Dallas.

She will be here for about 3 weeks and then will return to the school in Dallas.

Mrs. Walker plans to open a studio in Cameron soon and is completing her courses in photography in the noted school.

John Hubnik of Cameron Route 1 is ill and under treatment in Newton Memorial Hospital. He is doing well.

MRS. WATT HENDERSON BURIED HERE MONDAY

Funeral services for Mrs. Watt S. Henderson, 62, were held from the chapel of the Green Funeral Home in Cameron at 4:00 p. m. Saturday, July 23 by Rev. Lee Lemons, Pastor First Methodist Church, assisted by Rev. Percy A. Corkern, pastor First Baptist Church. Interment was made in Oak Hill Cemetery.

Mrs. Henderson was born at Yarrington and before her marriage was Miss Lena Maud Perkins. She was born November 28, 1886, daughter of the pioneers, Jerry and Nancy Eplen Perkins. She was married to the late Watt Henderson April 14, 1907 and they were the parents of two children. Mr. Henderson died in 1945 and was buried in Cameron.

Mrs. Henderson was visiting with her daughter, Mrs. Lillian Dyer in Lake Charles, Louisiana when she be-

came acutely ill and was taken to a hospital for emergency surgery. She died early Friday morning without having recovered consciousness.

Surviving are two daughters, Mrs. Cathryn Colburn of Cameron and Mrs. Lillian Dyer of Lake Charles, La., one brother, Jim Perkins of Calvert and two sisters, Mrs. Hallye Byrd Webb of Wayne, Oklahoma and Mrs. Lillian Terry of Fort Worth.

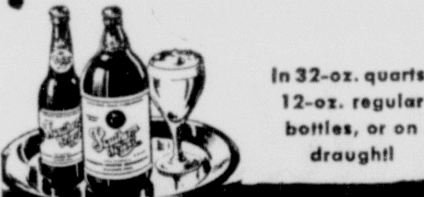

Mr. and Mrs. Rayburn E. Baker of Eurice, La., have announced the arrival of a son born May 26, 1949 who weighed 4 pounds and 4 ounces at birth. He was an incubator baby and is now reported to be gaining weight and doing fine. He is the only grandson of Mr. and Mrs. H. A. Baker of Route 1, Cameron.

R. L. Calton of Cameron is ill and has been taken to Newton Memorial Hospital for treatment. Friends will be glad to know he is making progress.

S. Florida. Miss McDermott is Secretary to President, F. C. Bolton at A&M College and will spend her vacation in Cuba.

Shack Shaffer transacted business in Waco Friday of the past week.

NOTICE

TO PARENTS OF CHILDREN OF SCHOOL AGE

TRANSFERS DUE BY MONDAY, AUGUST 1

Students who wish to attend Cameron Public Schools beginning with the September term, are required under the law to transfer by August 1. Since this is vitally important to parents and students alike, this notice is published as a matter of service to the patrons of the school and to call your attention to the importance of seeing that your children are transferred at once. Remember August 1 is the last day transfers can be made.

Go to the office of the County Superintendent at once and obtain transfer of your children.

The Cameron School Board and School Authorities are making plans for expansion of the system and it will be most helpful to have these transfers made in time. Your school authorities are keenly alive to the opportunity to afford the best in educational advantages for your children and welcomes them to the system.

Students who live in the districts that have been consolidated with Cameron do not have to get a transfer. Students in districts not consolidated with Cameron must transfer.

Students may transfer to Cameron even though the grade they rate is taught in their home districts. The law has been changed and students are no longer required to attend school in their home districts if they wish to come to Cameron.

We are looking forward to a great year in our fine public school system in Cameron and we assure the parents and students we want them in our system. Be sure to get your transfer by Monday, August 1.

YARRELLTON NEWS

Rev. Tom Breedlove of Fort Worth filled the pulpit Sunday morning and night, in the absence of Rev. R. L. South while in a revival at Fort Worth, Rev. Raymond and Mrs. Croy and daughter, Virginia accompanied Bro. Breedlove here and the group were guests in the Chas. Russell home.

A large group of friends and relatives attended the funeral of Mrs.

Lena Henderson formerly of Yarrellton but recently of Lake Charles, La., in Cameron Saturday. Mrs. Henderson was the mother of Mrs. Hubert Colburn and her many friends regret to learn of her sudden death and extend heart felt sympathy to all the family.

Hubert Foster of Houston spent last Tuesday with his father, John Foster who is ill.

Joe Ford was called to Ft. Worth Thursday to be with his brother Andrew Ford who suffered a heart attack.

Mr. and Mrs. Bill Stitt, Mrs. Warren Hastings and Mrs. Nell Goodman were here from Corpus Christi to attend the funeral of their aunt, Mrs. Lena Henderson and visited their mother, Mrs. Add Miller Saturday morning.

Miss Eula Lane McCall is visiting her grandmother, Mrs. Dink McCall and other relatives and friends this week.

Mr. and Mrs. Luther Chapman of Houston spent the week end in the John Foster home.

Mr. and Mrs. Marion Blansett and family and Jay and Jerry Blair Blansett spent the week end in the Blansett home in Yarrellton.

Mr. and Mrs. Zack Griffin and son Zackie spent the week end in Waco visiting in the Wesley Griffin home.

Mr. and Mrs. Frank Wiggs and baby of Rockdale were Sunday visitors in the home of her brother, Fred Starnes who is ill.

MILANO NEWS

Mrs. Mollie McGregor of Brown is a visitor in the home of her daughter and family, Mr. and Mrs. Henry Hutto.

Miss Patsy Kirk of Rockdale spent last week here with her sister Miss Addie Mae Kirk.

Mr. and Mrs. T. S. McCollum and sons spent their vacation in San Antonio, Del Rio and Mexico.

Mr. and Mrs. Phillip Bankston of Big Springs were visiting in the home of Mr. and Mrs. Ranson Deen over the week end.

Mrs. Watt McNeely has returned to her home in Austin after a visit here with Mr. and Mrs. Ase McGregor.

Milano Methodist Sunday School class went on a picnic and swimming party Monday evening at Hearne park. The children were accompanied by several adults, Milano Methodist revival will begin here August 1st with a cordial welcome to everyone to attend.

Mrs. Ray McCowley of Ft. Worth is a guest in the home of Mr. and Mrs. Ase McGregor.

Mr. and Mrs. Clyde McCullough of Houston visited Mr. and Mrs. Henry Hutto here last week.

Miss Janet Williams returned to Houston after a pleasant visit here with her parents, Mr. and Mrs. Charlie Williams and her friends.

Miss Earnestine Smith is visiting in the home of her aunt near Rockdale.

Eugene and Billie Heath are in Bryan visiting their grand parents, Mrs. Ida Howes is visiting in Bryan as guest of her daughter, Mrs. Edwards.

Visitors in the W. F. Hooker home over the week end were Mr. and Mrs. Robert Rogers and son, Frankie Jewell, Mrs. Gysell Burdick and Jewell Hooker all of Houston.

Mr. and Mrs. Tom Evard of Minerva were visiting in the home of Mr. and Mrs. L. B. Dukes Sunday.

Visitors in the home of Mrs. Maggie Miller Sunday were Mr. and Mrs. Jistel and children and Mr. and Mrs. Elliott and son of Cameron.

Mrs. Maude Martin is visiting in Gladewater, the guest of Miss Stewart.

Mr. and Mrs. H. H. Pruett left Tuesday for a three weeks vacation trip to Colorado and other places of interest.

Greetings from Mrs. Jessie Bankston who is attending summer school in California says she plans to return to her home in August after attending summer school there.

We are sorry to report Welcome Woods ill and in a Marlin Hospital. Sunday he was reported improving some and his friends wish him a speedy recovery.

E. C. Westbrook and sister, Miss June of Waco spent the week end with their parents, Mr. and Mrs. E. C. Westbrook.

Mr. and Mrs. Bobby Steele and baby of Texarkana spent their vacation here in the home of their parents, Mr. and Mrs. Ray Miller and Mrs. Steel.

Milano 4-H Club girls have returned from a pleasant encampment at Coffield Ranch. Mrs. Moody, Home Demonstration agent had charge of the arrangements. They studied basket weaving and making wooden trays.

Milano people have been busy mowing weeds around their homes. Would look better and would be healthier if all would rid their places of weeds. J. D. Peoples has been very generous about cutting the

weeds on his rent places and also cutting for some of his neighbors.

Vacation Bible school started Monday for both churches in Milano. There will be several interesting things for the children of both churches.

A school tax election will be held in Milano July 30. The purpose of the election is to equalize taxes throughout the district, according to officials. The Milano school has taken in some new territory which has taxes less than the local tax and the election must be held to equalize the tax.

Mrs. Alma Guyer of Italy, Texas is visiting in the home of Mrs. Hugo Slaughter this week. Mrs. Guyer and Mrs. Slaughter are cousins.

Mr. and Mrs. Cecil Richerson and son, Tim of Port Arthur and Mr. and Mrs. Haley Richerson were Saturday night visitors in the C. E. Russell home.

are true; at the same time I ask you. Are we happy? Are we not plagued with fears and uncertainties?

"As we pause here among friends and neighbors, enjoying blessings far more than we deserve, I ask you to think with me along the line of my chosen theme:

"Perhaps we may see this 'International Conspiracy' in a new and true light, and in so doing, perhaps we shall discover some reasons for the shaky, unstable feeling that is plaguing us.

"We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights governments are instituted among men deriving their just powers from the consent of the governed."

"These very familiar words from the Declaration of Independence together with our Constitution—its preamble and its Bill of Rights place the utmost emphasis on Liberty and Freedom. This Creator, our God, Who gave us life, gave us Liberty at the same time. To unfetter the world, to dignify man, and to save him God sent His Son. This grand ennobling force—the only hope of the world—we call Christianity. One of the greatest exponents of Christianity, the Apostle, Paul, wrote

"Where the Spirit of the Lord is, there is Liberty."

"What is this 'Spirit of the Lord?' Henry Drummond calls it 'the spectrum of love' and says it has 9 ingredients: patience, kindness, generosity, courtesy, unselfishness, good temper, guilelessness, sincerity. Thus it follows, where these ingredients are found, there is Liberty.

"Because Christianity is the only hope of the world today; and because it reached our country by a marvelous interesting series of historical events which took place from the beginning of the Christian Era, through Asia Minor, to Greece, Italy, England, Switzerland, and Scotland and on across the Atlantic; I want you to pause with me at this time and give it the place it deserves in our American way of life.

"Because I have always felt that the freedom and liberty of the individual as embodied in the democratic principles of our system of free enterprise; and the 3 freedoms for which Thomas Jefferson asked to be remembered—freedom of the body as expressed in his Declaration of Independence, freedom of the mind as expressed in his University of Virginia Statutes for Religious Liberty, are the forces that have made America great; I wish to attempt to contrast these forces with other forces that are in our midst striving to undermine them.

"I believe that a consideration of the demerits of these undermining forces can best cause us to stop and reevaluate the merits of our American system, and in the words of Mr. Harvey S. Firestone, Jr., "cause us to sing out in praise of the U. S. A."

"Our country has long been called 'the melting pot of the world'. An appropriate designation since we are 60 million Anglo-Saxon, 15 million Teutonic, 13 million Negro, 10 million Irish, 9 million Slavic, 5 million Italian, 4 million Scandinavian, 2 million French, 1 million each Finn, Lithuanian, Greek, 1-3 million Indian, 1-3 million combined, Oriental, Filipino, Mexican. In addition we are 40 million Evangelical Protestants, 22 million Roman Catholics, 4 1-2 million Jew, 2 million Anglican Episcopalian, 1 million Greek Catholic, 2-3 million Mormon, 1-2 million Christian Scientist, 1-10 million Quaker. From these, we intend, in the words of Theodore Roosevelt, "to see that the crucible turns our people out as Americans of American nationality and not as dwellers in a polyglot boarding house." This vicious force we know as Communism is seeking to destroy our nationality, our liberty, and our freedom; to take away from the individual his right for self-expression; to trample in the dust man's dignity.

"Let us see something of this Communist Conspiracy and its influence in this country as a whole, on religion, on education, on labor, and on our government.

"Forty years ago Communism was just a plot in the minds of a few peculiar people.

"Today it is a world force governing millions of the human race and threatening to govern all of it. (Right here I would tell you that the facts I shall give concerning this Communist Conspiracy were prepared and released by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C.)

"We shall begin with some things you should know about Communism and Religion. I think this fitting since Religion is the first thing mentioned in the Bill of Rights of our Constitution; and in all the Communists' plans and actions religion is marked down as Enemy No. 1. Why? Because religion in some form is always the basic influence in the life and thinking of any people.

"Where Communists dominate they attack religion head on. Where they do not dominate they try to deceive and to corrupt from within just as they do in government, in education, in labor unions, and throughout a nation's life in general. The aim and object of Communism is always the same—complete control over the human mind and body, asleep and awake, in sickness and health, from birth to death. Thus Communism is a Religion—a faith—"Marxism-Leninism"—as operated by Joe Stalin. It is also a plan and method to rule the world. Gen. MacArthur says Communism is national and international outlawry. The man who drew up this plan was Karl Marx (German Jew) who lived in the 19th Century. The man who put this plan into action was Vladimir Ilich Ulyanov—Alias, Nikolai Lenin, who lived from 1870-1924, and who led the world Communists to capture Russia in 1917-18. The man who made the plan a world force was Josif Vissarionovich Djugushvili—alias—Joe Stalin, who is now living and is 67 years old. Notice I said "alias Lenin" and "alias Stalin", because those are not the real names of the men involved. Remember, the present "Stalin" started out in life to destroy the government of his own country and rebuild it on Communist lines through bloody revolution,—and that's how it actually was done. He, Stalin, was against all law except Communist ideas laid down by Karl Marx. He used the "alias" Stalin to hide his real identity just as Ulyanov used "Lenin."

"Karl Marx's idea of a Communist world was everything contrary to American world concepts. He believed that the world as we know it must be destroyed—religion, family, laws, rights, everything. Anybody opposing was to be destroyed, too. Marx wanted a world where people owned no property, took orders from the government without question, let their family life be without deligion, morals, or ideals as we know them. His idea was that anything is moral—even lying, stealing, and murder—if it brings on Communism; that women should have children for the Communist State to educate, train, and use, but parents should not have any say in the training; that there is no need to fear God because He does not exist. Marx had the idea that people could never be happy, have enough to eat, make enough money, or have success in the kind of world we know.

"The United States of America is living proof that Marx was as wrong as a man can be. This reminds me of Fred Waring's song I heard recently on one of his radio programs. The thought was that where else but in America can man sing about Liberty.

"Perhaps you may be asking, was Marx Crazy? Perhaps he was. But he was not the first evil and crazy man to start a terrible world upheaval, nor was he the last. Look at Hitler and what he did. Some people overlooked Marx' craziness, because he was one of the most effective propagandist who ever lived. His preaching of destruction appealed to these national and international outlaws—and still does—especially to people who wanted to rule others and didn't know how. It appealed to and captured Lenin who had a terrible thirst for power, and, as has been said, who led the Communists to capture Russia in 1917-18. When the Czarist Government fell in the war of 1914-18, a Republic was organized along the lines of our government, but before this government could really take hold, Lenin's Communists came out from under cover, confused the public mind by propaganda, stirred a military revolt, slaughtered all opposition, and set up by force of arms a Communist Dictatorship. All the Russian people did not turn Communist—only a few trained and disciplined favorites were allowed to be Communists. Right here let me stress the fact that no nation has ever gone Communist in a free election.

"Some people fall for Communist propaganda, because it promises all the things that people have always sought; an easier life and an end to trouble. Of course these Communist do not deliver the goods. Once they get control, they reduce a nation to horror and slavery. Just look at their record not only in Russia but all other countries captured by Communism: Latvia, Lithuania, Estonia, Poland, Czechoslovakia, Hungary, Romania, Bulgaria, Yugoslavia, Austria, Germany and now China. The secret of their drive is the dream of total power for Communists; loss of power for all others. That's the story in a nutshell.

"You may be asking, are Communists trying to corrupt religion here in the U. S. A.? The answer is "Yes". The Communist Party of the U. S. assigns members to join churches and church organizations, in order to take control where possible, and in any case to influence thought and action toward Communist ends.

"The Communist Party forms 'front organizations' designed to attract 'fellow travelers' with religious interests. A 'front organization' is Communism's greatest weapon in this country. It is an organization created

or captured by the Communist to do the Party's work in special fields. In the United States they go among people and get their names on membership lists—peoples who would never willingly act as Party agents. You understand all this is done "under cover"—subversively — by the "alias" method. A "fellow traveler" is one who sympathizes with the Party's aims and serves the Party's purpose without actually holding a Party Card.

—See your daily newspaper and you may read of the doings of these "fellow travelers."

"The Communist Party tries to get prominent religious leaders to support Communist policies disguised as welfare work for minorities or oppressed groups. In the words of Earl Browder, former head of the Communist Party in the U. S. A. " . . . by going among the religious masses, we are for the first time able to bring out anti-religious ideas to them."

"At this point, I should like to give you some testimony of Mr. J. Edgar Hoover, that great American who heads our Federal Bureau of Investigation. There are approximately 80 thousand Communists in the United States today out of a population of 145 million. "In 1917 when the Communists overthrew the Russian Government there was 1 Communist for every 2,277 persons in Russia. In the U. S. there is 1 Communist for every 1,814 persons in the country." There would be more, but the Communist Party does not rely upon actual Party membership for its strength. What is important is the claim of the Communists themselves that for every Party member there are 10 others ready, willing, and able to do the Party's work. Herein lies the greatest menace of Communism. For these are the people who infiltrate and corrupt various spheres of American life. So rather than the size of the Communist Party the way to weigh its true importance is by testing its influence —its ability to infiltrate.

"If there is any doubt in your mind as to the vicious and blasphemous propaganda Communists are using against religion in our country, then go to your public library and read a typical example of it entitled "Goodbye Christ" by Langston Hughes. Atrocious as this is, it is mild compared to the atheist propaganda in Moscow.

"Article I of the Bill of Rights of our Constitution reads: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof;—" Quite A Contrast!

"We could go on and on in this field of religion, but time does not permit. With labor unions, Communists use the same subversive tactics. Remember Communism is not a working class movement. It is a revolutionary movement. It is true that Communists promise that when they get power they will hand it over to the workers. But you can not point to one place in the world where they have lived up to that promise.

"The standard of living in Russia is barely above that of India or China. The people live in abject poverty.—4 families to 1 room! The bigwigs among the Communists live better than most millionaires do in this country. We in America have at least 4 rooms for 1 family. Listen closely to some figures. In Russia as of 1947, A Russian had to work 22 days for money enough to buy a suit of clothes. In America a man could get a much better suit for 20 1-2 hours work. Even today in Russia, a man works 32 hours to buy a cotton dress for his wife.

"In America a man works only 4 hours to buy his wife a better dress. In Russia it takes a worker 108 hours to earn a pair of shoes. An American can do it in 9 hours.

In Russia a man must work 1 hour and 40 minutes to buy a bottle of beer. In America he needs to work only six minutes. This same contrast works out all along the line for food, shelter, and other necessities of life.

"Under Communism there are no luxuries, comforts, and conveniences such as we know these things in free-enterprise America.

"In Communist Russia there is 1 automobile for every 252 citizens. America has 1 for every 4 of its citizens. Under Communism there is 1 radio for every 45 Russians. Under free-enterprise there is 1 radio for every 3 Americans. One out of every 188 people has a telephone in Russia. One out of every 5 people in our free-enterprise system in America has a telephone.

"Mr. Firestone reminds us that even more startling contrasts could be made in such commodities as washing machines, refrigerators, vacuum cleaners, electric lights, food and clothing.

"President William Green of the American Federation of Labor says " . . . no labor organization can be free under Communism because it is compelled to subordinate the interests of the workers to those of the Communist Party."

"And now let me tell you that our government is under attack. The enemy is Communism. If Communism

were to win, there would be no U. S. Constitution, Courts, President, or Congress. Communists are loyal to Stalin. They take orders from Moscow, and they are spies any time they are ordered to be by the Party. It is the sworn testimony of their leader in this country, William Z. Foster, that they would not support our government in war with Russia. American Communists uphold our government when it suits Moscow's purposes. For instance, from 1939 to 1941, while Germany and Russia were on the same side in the European War, American Communists sabotaged our arms factories, spied on our government for Hitler as well as for Russia. They even tried to stir sedition and rebellion in the armed forces. But when Germany attacked Russia, they wrapped themselves with the U. S. Flag overnight and immediately demanded that we go to war—for Russia's sake.

"Nobody knows how many Communists there are in our government today. They began to invade it in 1933 when the government of the U. S. granted diplomatic recognition to the Soviet government of Russia. Communists, "fellow travelers," and "front agents" promptly flooded Washington and began to worm their way into the Government of the United States. The real Communist program for capturing our government begins with spying and infiltration of the sort now going on. Then follows confusion and chaos caused by sudden paralysis of our communications, transportation, money system and law enforcement. Finally there comes direct seizure of power.

"Communists have spent the last 15 years hiding their key men in our Army, Navy, Diplomatic Corps, Treasury, State, and other control points of our government—not the least of which is the Atomic Energy Commission. The Un-American Affairs Committee has found out plenty about Communism within our atomic energy program. They have Espionage Rings which have been operating at least since 1942, using American Science and money to inform the Soviet Government of Russia on how to make the atom bomb. The most recent case to reach the eruption stage was that of Hans Friedstadt, immigrant, Communist graduate student, the son of a Communist, who was granted a \$1,600.00 a year fellowship for study at the University of North Carolina. Hans Friedstadt conducts the Karl Marx Study Club there. He bombards the student body with subversive articles in the campus newspaper. And you Mr. Taxpayer—you pay the bill. Thanks to free speech in free-enterprise America, this outrageous situation was brought to light by one of our well known radio commentators. But all the time David Lilienthal, Director of the AEC, said to be a Lithuanian Jew, has consistently insisted that "student-candidates for scholarships awarded by the AEC be not questioned in respect to loyalty to the United States lest their intellectual freedom be impaired." He has stoutly defended the awarding of scholarships to known Communists.

"I want to tell you here and now Communists, must be forced out of power by loyal, liberty loving Americans using means of detection, exposure, and prosecution. It's interesting that when they are prosecuted they howl that their liberty is being encroached upon; they refuse to testify saying that they might incriminate themselves. All the time they are enjoying the protection of American Freedom and our Bill of Rights. For the same offense in Communist Russia they'd be shot at sunrise or sent to hard labor in Siberia for the remainder of their lives. I say we should send all Communist back to their Heaven—Communist Russia.

"Wake up Americans! This is your solemn hour!

"Guard your liberty. Don't take it for granted.

"I said in the beginning that an atmosphere of uncertainty prevails here in our country even in the midst of prosperity and plenty. I have been trying to show you that the reason for this condition may be our own complacency and indifference to these evils that come from without to work and grow from within.

"I remember reading of Abraham Lincoln's once saying, "That if our Nation is ever destroyed, it will not be from without, but from within."

"We are hoping to arrive at a solution of our problems and thus obtain peace by means of this blueprint.

"That Is Not the Way!

"Peace comes from within.

"Where the Spirit of the Lord is, there is Liberty."

"There is peace.

"I have endeavored to point out that the conflict is shaping up in the world between those who profess faith in God and those who profess faith in Stalin. Those who profess faith in God far out number the other group, but they lack the zeal and willingness to sacrifice that the followers of Stalin have.

"Our God-given Liberty that we in Texas and the United States of America enjoy has a condition is attached — that condition is

Eternal Vigilance. We must not be indifferent. We must not take our liberty and freedom for granted. We must be ready at all times to Zealously guard and defend it. We must be willing to say—and mean it—as did Patrick Henry, when he proclaimed—"Give me Liberty or give me death." Many fine American Boys did just that for liberty and freedom only recently.

But remember, that Benjamin Franklin once said: "Those who would give up essential liberty to purchase a little temporary safety, deserve neither safety, nor liberty."

"This is history, and history repeats itself so often that the accuracy of Benjamin Franklin's statement cannot be denied.

"While reading a recent issue of the Congressional Record, I was stirred by an address delivered by the Honorable Dewey Short, in which he quoted the poet, Edward Markham.

"I fear the vermin that shall undermine

Senate and school and citadel and shrine;"

"I fear the vermin that shall honeycomb the

Walls and towers of state in unsuspecting hours."

"Mr. Short assures us that we have vermin in our midst; that we have rats in this country who are undermining the Senate, the school, the citadel, and the shrine. They are gnawing at the very foundation of this Republic, and the Trials which are going on in Washington and New York now, with all of the ramifications of which the public knows nothing about, are sufficient warning to put us on guard.

"And now in conclusion, let us think of our National Motto: E Pluribus Unum—From many, One. We want our Anglo-Saxons, Italians, Teutons, Negroes, Irish, Slavs, Scandinavians, French, and all the others, to become one loyal citizenship enjoying the liberty and freedom of democratic America. Let us take a look at our coins and pray, using the words of the now immortal Chaplain of the United States Senate, Dr. Peter Marshall, "May it ever be in our minds as upo nour coins, "IN GOD WE TRUST." "

From where I sit ... by Joe Marsh

For The Ladies:
A Diet That Really Works

We went out visiting the other night and the ladies were talking away about weight-reducing diets. One of them had a special "15-day Hollywood diet" guaranteed to slim her down fifteen pounds' worth. Another was living on bananas and skim milk!

I might have known the missus would get the bug, too, and sure enough the other day she asks me, "Joe, what kind of a diet do you think I ought to go on?"

"Mother," I says, "the only diet I would ever recommend to anyone is simply moderation. I wouldn't trust any of those get-thin-quick diets. Simply cut down on desserts, bread, butter, sweets and fats—but when you do, even do your cutting down moderately."

From where I sit, moderation is the watchword. Moderation with food, with smoking or with the enjoyment of a friendly glass of temperate beer or ale. Actually, moderation adds to the enjoyment of just about anything.

Joe Marsh

AGED CARPENTER—

(Continued from page one)
and now deceives compensation from the government.
The thread of their lives ran through domestic difficulties on both sides. Each had been divorced and remarried. In January of this year they were re-married and began living in Cameron where Mr. Hatfield had built a home on 17th street. It was not long until they began to quarrel.
On July 4, after they had quarrelled Hatfield left home and it was understood, told his wife he would not return. He came back late Wednesday and went to his home and asked his wife to prepare his supper and she began fixing the evening meal.
According to officials they quarrelled again and he is alleged to have taken the pistol from a locker near

his bed and the shooting followed shortly thereafter.
Surviving in the immediate family are one daughter living in the home and one son in the Army who is stationed at Camp Hood.

VACATION BIBLE SCHOOL

The children's vacation bible school at St. James church in Ben Arnold is being well attended. Mrs. Raymond Juergens and Mrs. Ervin Pelzer, adults are receiving Christian instructions and will be given full membership at the end of August.

Mr. and Mrs. Vito Riola, accompanied by Mrs. W. C. Kohutek and Wallye Jene Robbins have returned from their vacation after visiting El Paso, Texas and Carlsbad and Ciudad Juarez, New Mexico.

BONDS—

(Continued from page one)
during the drive were \$3,293,930.50 more than Series E sales during the similar period of 1948.
Mr. Admas described the Opportunity Drive as "the most successful Savings Bonds campaign since the war" and praised the county chairman, his committee and other local volunteers "for the fine success you have achieved in your county".
He said that results of the drive indicated a sharp increase in the number of employees buying bonds through the Payroll Savings Plan where they work and in the number of persons participating in the automatic Bond-A-Month Plan at their banks.

"This drive has been proof that increasing thousands of our citizens are recognizing thrift as the surest means to economic security," he said. "At the same time, our business and civic leaders are daily becoming more aware that the Savings Bonds program, instead of being merely a wartime expedient, is a powerful and continuing force for stabilizing the business and economic structures of the state and nation."

"Consequently, throughout the state the finest kind of cooperation for the drive came from county Savings Bonds committees, business management, banks and other financial institutions, newspapers, radio stations, organizations and clubs, and just plain, every-day citizens."

"I think the people of Texas can be proud of their accomplishment in this drive, not only in the large sales total but especially in the increased financial security that their investments in Savings Bonds give to them."

Mr. and Mrs. Dot Fuller and Mr. and Mrs. Ray Fuller and son, Larry of Hamlin are visiting Mrs. Nora Pemberton and family here this week.

Mr. and Mrs. Byron Farr of Valentine, Texas spent the past week end with her parents, Mr. and Mrs. Bill Storey. Mrs. Farr is the former, Miss Florence Jane Storey.

WEATHER—

(Continued from page one)
ton acreage since 1937. Decrease in the sorghum acreage was added to cotton.
Mr. Triggs pointed out that if rain does not come soon it will mean a difference in average yield of from one half down to a quarter bale average.
It is pointed out that the plant is sufficiently prolific this year and well developed to make the yield greater than at any time since 1920 taking into consideration the limited acreage. The plant was holding up well but blasting was noted heavily in some areas. Older cotton with June rains is already made. Moisture now might have the effect of shedding. So as it looked Wednesday a tailor made rain would be necessary to get a fit.
The crop situation was on the optimistic side. The county has the best corn crop in a generation. The big question mark is written squarely across every cotton field in the county, but the picture is bright.

SALAC—

(Continued from page one)
fly into Dallas by Braniff air line and come direct to Cameron late Wednesday.

Surviving are the parents, Mr. and Mrs. Frank Salac and four sisters, Miss Rosa Lee Salac, of San Antonio, Mrs. Caroline Farek of Marlin, Mrs. Helen F. Morris of Waco and Miss Mildred Salac of Cameron.

Active pallbearers will be Altar boys from Marak Church: Johnnie Marak, Ladis Donalik, David Hromcik, Eugene Hubnik, Johnnie Spacik and Joe Hromcik. Honorary pallbearers are Alfons Kostroun, Frankie Ejem, Eugene Marak, August Morsaw, Jerry Plachy, Emil Vaculin, Bobby Balhorn, Louis Krenek, J. J. Dillon, E. Tepera, Joe Michalka, and George Absnider.

Mr. and Mrs. Louis Boggan and sons of Houston are visiting Mrs. Ida Boggan and other relatives this week.

MRS. HATFIELD—

(continued from page one)
were married before World War I. He was a blacksmith and later a carpenter.
Her mother, the aged Mrs. Addie Hazelwood, lives at Davilla.
Mrs. Hatfield was born January 25, 1889 in Fayette County, Texas. Surviving are a long list of relatives, including 10 children as follows:
Mother, Mrs. Addie Hazelwood of Davilla; husband, W. A. Hatfield of Cameron; sons, Ernest Hatfield, Odessa, Texas; Tommie Lee Hatfield Sunnyside, Washington; Edmond Hatfield, Port Lavaca, Texas; Rowland Hatfield, Enid, Oklahoma; James Hatfield, Port Lavaca, Texas and G. W. Hatfield of Camp Hood;

daughters, Mrs. Edna Wiedner, and Mrs. Nonnie Geryk, Port Lavaca, Texas; Miss Rosemary Hatfield, Cameron; and Mrs. Cornie Beaver of El Centro, California. One brother Willie Hazelwood of Houston; five sisters as follows: Mrs. Stella Weid, Belton; Mrs. Clara Maysfield, Fort Worth, Mrs. Blanche Lee Miteham, Sharp, Mrs. Mattie Evret, and Mrs. Katy May Schiller, Fort Worth.

SON TO THE GOODWINS

Mr. and Mrs. Grady Goodwin of Bay Town announce the arrival of a seven pound 13 ounce son born at a Houston Hospital Friday, July 22, 1949. The baby has been named, Grady Leroy, Jr. The Goodwins have a daughter, Molvena, twelve years old.

How to keep cool
— and carefree

This time of year there's one place a lot cozier and cooler than your favorite spot around the house.

That's in your Buick—finding a breeze along dusk-cooled highways, or following those little roads that lead to inviting "loafing grounds."

Either way, whichever pleasure trail you follow, you'll find more fun on the way if your Buick is in top-flight shape to take the miles in its steady stride.

How about letting us put it in that shape for you?

Get one of our conscientious motor tune-ups, and one of our thorough-going Lubricare treatments. We'll put the bounce back in your motor—while we're taking the bounce out of your ride.

We do this well because we're Buick men. We know your Buick, we've studied correct factory methods for each operation, we know the factory specifications your car was built to. We use genuine Buick parts—even special Buick tools!

Yet you don't pay a penny more for all these extras. Stop in this week, won't you?

HOW HIGH IS A TUNE-UP?

Our Buick tune-ups go far beyond adjusting your spark and carburetor. We cover a long list of things—your valve tappets, voltage regulator, fuel pump filter, coil, hose connections, and so on.

We even tighten the cylinder head and clean off your battery terminals—and do all this at a low, low flat-rate price that will surprise you!

Buick care keeps Buicks best
